What is COSTA?

The Connecticut School Transportation Association (COSTA) is a nonprofit organization of Connecticut-based school transportation carriers, both private and public.

The association was founded in 1979 and now represents the majority of the companies and school districts that provide home to school transportation in Connecticut. Our membership also includes those who offer specialized transportation of children as part or all of their business.

COSTA is dedicated to safety and efficiency in pupil transportation and to the stability and growth of the school transportation industry.

Why Should You Join?

As an Associate Member of COSTA, you will enjoy the following benefits:

- Access to our directory of *CT School Bus Operator Members* to facilitate your direct mail advertising
- A listing on the *Preferred Vendors & Associate Members* page of COSTA's website
- *Attendance and sponsorship opportunities* at annual events.
- Updates to keep you informed of new legislation, regulations, and current events in the school bus industry

COSTA is your one stop source for:

Driver histories | Training for STV drivers | Lobbying and government relations
Public relations | Research projects | Expert advice and assistance
